*\* These are detailed in the word lists within the spelling appendix to the national curriculum (English Appendix 1). Teachers should refer to these to exemplify the words that pupils should be able to read as well as spell.*

There is progression in the objectives for each year group across the school. However, some of the objectives remain or are similar. We would also be expecting to see progression in the texts. Children meet the objectives for the level of the text they are working at, so must be reading age related texts to achieve at that level.
